SCIENCE FACTORY

WELCOME! We are pleased that you have chosen to park in Science Factory lots and thank you for your support! The Science Factory works closely with: the City of Eugene Police, Fire, and Parks Departments; Oregon Liquor Control Commission; University of Oregon Athletic and Police Departments; Lane Transit District; and other agencies to ensure safety, compliance with laws and regulations, and to provide the best parking program available. Please observe the following rules and conditions for parking in Science Factory-managed lots. *Failure to abide by these rules may result in revocation of your parking privileges, your vehicle being cited or towed, or criminal prosecution. It also jeopardizes our ability to continue to provide this parking opportunity to you.*

- This parking pass is valid for all 7 games of the regular season, so keep it in a safe place. Replacement passes incur a fee.
- Expect to bring your vehicle to a complete stop as you enter the SF parking area so that staff may look at your parking pass.
- Expect delays when exiting the parking areas. Traffic flow is controlled by police. Vehicles may be prevented from exiting the parking lots between the fourth quarter up to 30 minutes after games due to pedestrian and bus traffic. Please be patient and cooperate with traffic control personnel.

If you wish to be adjacent to other vehicles, please meet up off-site in advance with your party at a designated area and enter the parking lot together. Due to the particulars of the parking lots, Elks Lodge attendants may designate a parking area as saved for certain vehicles due to space issues; **they have full discretion to direct your vehicle in the manner they deem appropriate**.

DEPARTURE

- Expect delays of up to **one hour** after games. Traffic flow is controlled by police. Vehicles may be prevented from exiting the parking lot between the fourth quarter of games and continuing up to 30 minutes after games due to pedestrian and bus traffic.
